Re: Request to Inspect Public Records

Dear Mr. Payne and Mr. Morales:

On October 23, 2007, the Office of the State Auditor received your certified letter containing your request to inspect certain public records. We do not have custody or control of the records you request because this agency is not responsible for maintaining those records.

You may wish to contact the court of record for the cases you refer to in your letter to see if they are able to provide assistance in determining what state agency may have custody or control of the records you are requesting.

Respectfully,

A handwritten signature in blue ink, which appears to read "Hector H. Balderas".

Hector H. Balderas  
New Mexico State Auditor
